Face to Face Meetings: Protocols

The Queensland Division of the Association of Independent Retirees (AIR) Ltd is mindful that many of our members may feel reluctant to return to face to face meetings. The Committee of each Branch should make their own decision after consultation with the meeting venue operators. Some venues will have a Covid Plan of their own that will need to be adhered to.

The following requirements are for members who plan to attend a face to face meeting:

You take full responsibility for your own safety, especially if you are a vulnerable person.

You do not have any symptoms associated with Covid 19 (for example, fever, cough, sore throat, shortness of breath, sneezing/runny nose, or loss of sense of smell).

You do not have Covid 19 nor are you awaiting results of Covid 19 testing.

You have not been in contact with any known or suspected case of Covid 19 in the past 14 days

You have not returned or been in contact with anyone who has returned from overseas/an Australian hot spot in the past 14 days.

All attendees are required to sign the Covid 19 Registration Form provided at the venue and maintain appropriate social distancing.

Hand sanitizer will be provided at the venue.

Regards

Bernie Treston
Qld President
